## INNOVATIONS IN P2P LENDING

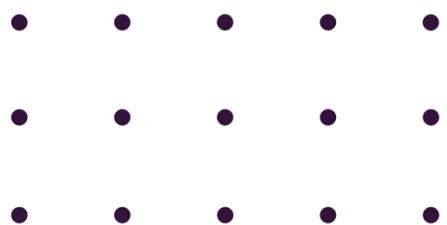

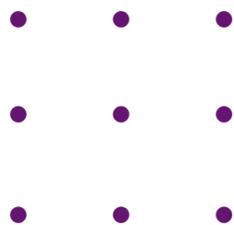

# What is Webstransfer?

Webtransfer is an innovative peer-to-peer (P2P) crypto lending platform that connects borrowers and lenders. We offer every user the opportunity to obtain a loan or earn by lending to other members.

We also offer various bonus programs and partnership opportunities, making our platform the perfect choice for those looking to earn both with and without investments!

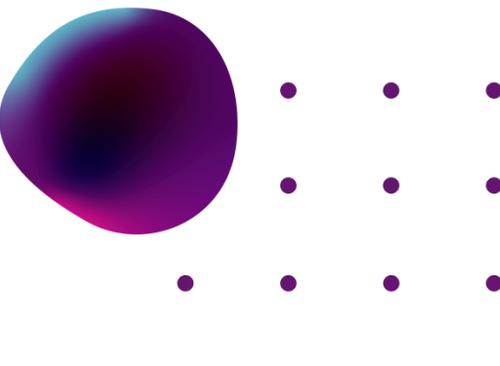

**Quick Start**  
**Get \$50**  
**Bonus for**  
**Registration**

Every new member of Webtransfer receives a welcome bonus of \$50 immediately after registration.

This bonus can be used to issue loans on the platform and earn with us.

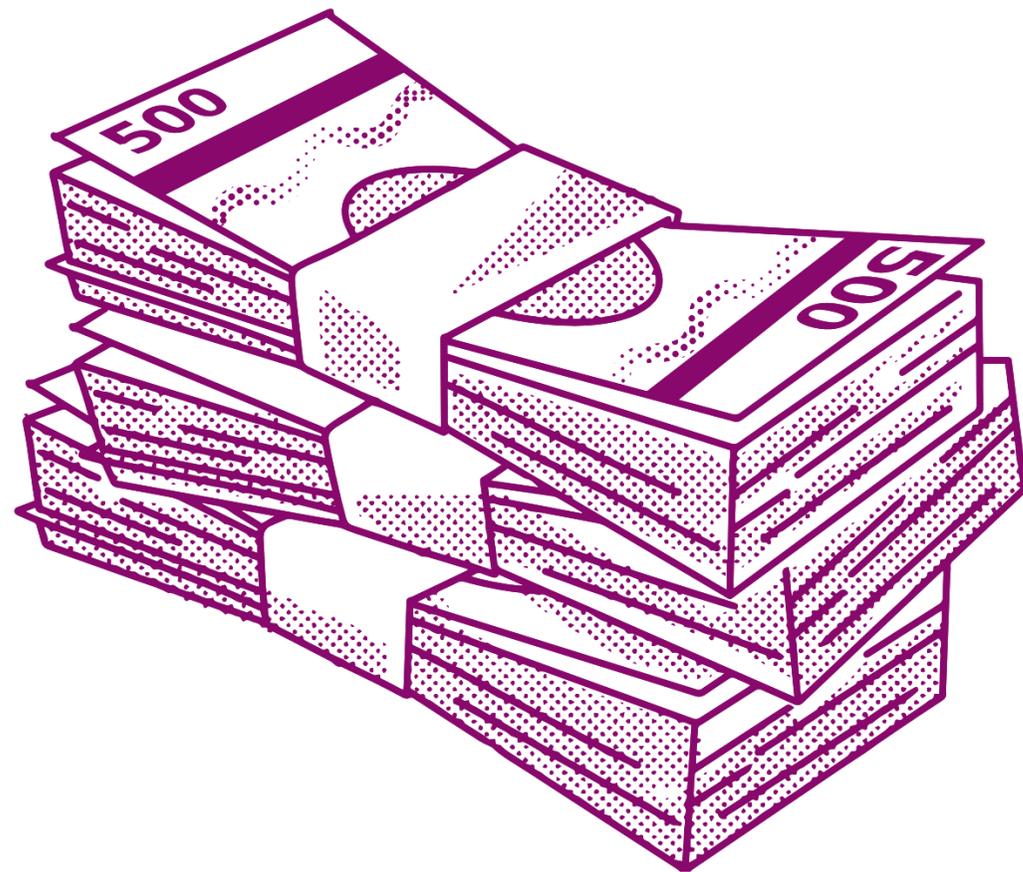

# How to Invest Your \$50 Bonus

Your bonus of \$50 can be used to issue loans to other Webtransfer members.

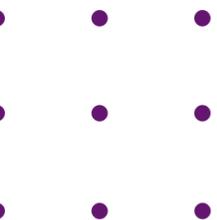

The profit from these loans will be credited to your account after 14 days and available for withdrawal from the 1st to the 5th day of each month.

# Affiliate Program: Opportunity to Earn

Each referred partner receives a \$50 bonus, and you, in turn, will receive an additional \$50 for each person you invite.

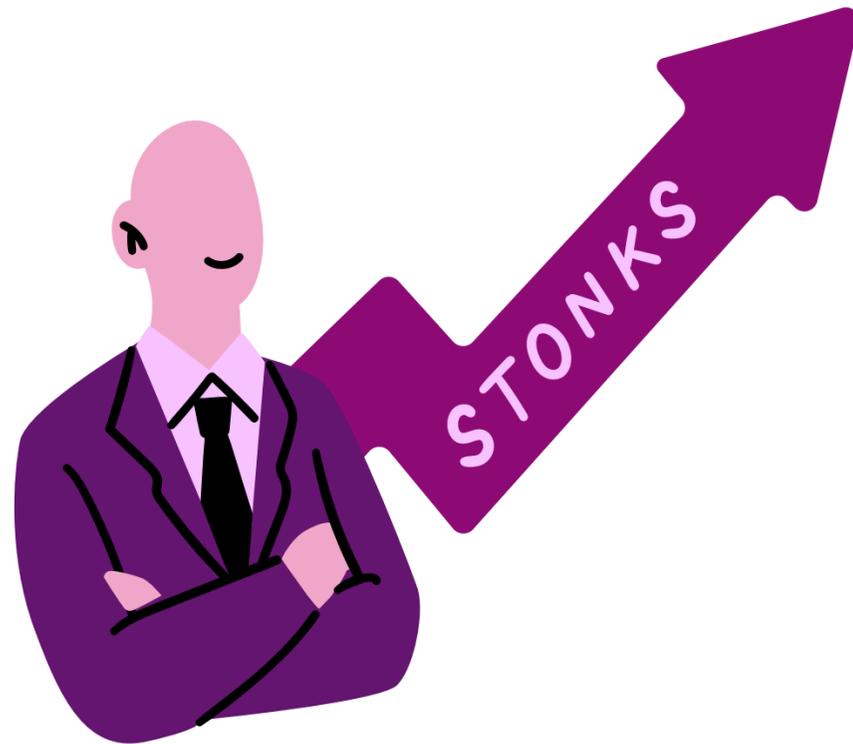

Moreover, you also earn a percentage of the profits your partners make—the more active your partners, the higher your income.

# Investments in Webtransfer

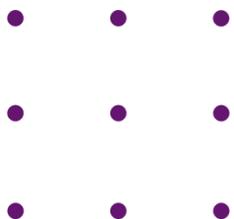

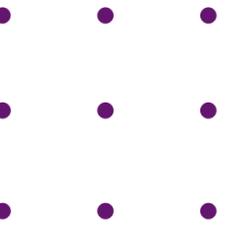

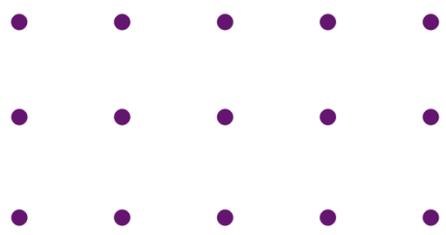

**Webtransfer offers a wide range of investment opportunities.**

**Issue loans with terms as short as 3 days using your funds.**

**Issue margin loans of 50 USDT & gain up to 300% leverage, boosting your income.**

**We are planning to introduce new products and investment opportunities soon.**

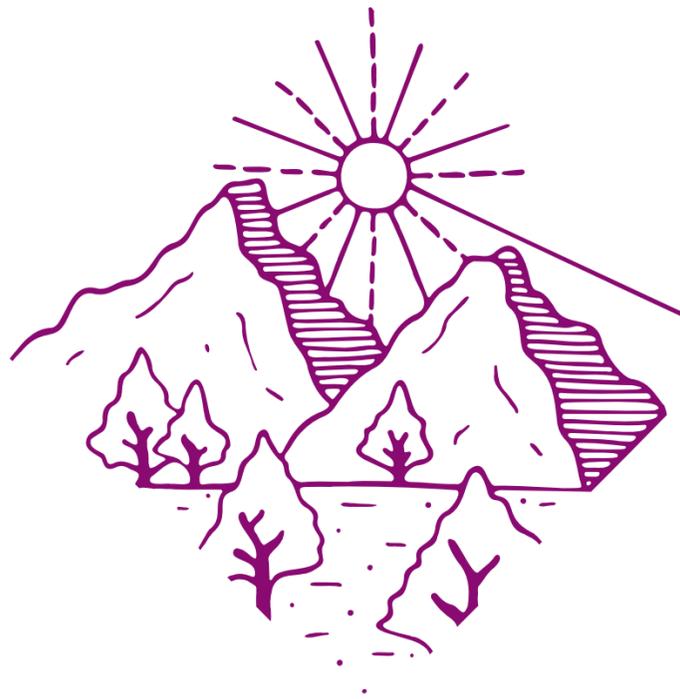

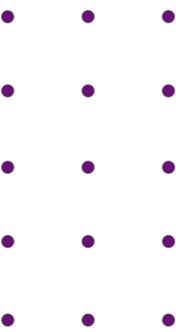

# Develop With Us

Webtransfer is actively developing, and offering newer and newer products. By joining us, you become part of a rapidly growing ecosystem where everyone has the opportunity to increase their assets and build passive income.

We aim to make financial technology accessible to everyone and invite you to be part of this process.

# Mission & Vision

- • • Our mission is to create an open and accessible platform for P2P lending, where each participant can find the most advantageous financial solutions and various tools to increase personal capital.
- • • We strive to enable every person to comfortably manage their finances with maximum efficiency and minimal risk.
